

Seize the power

with Cashflows Shift

Take the power of payments into your own hands to build your revenue stream, deepen customer relationships and maximise your true commercial worth.

Take charge of your payments process

With Cashflows Shift we're opening up new and exciting opportunities for you to seize power across every stage of the payments journey, with us right behind you.

Our expertise in embedded payments and Acquiring BIN sponsorship gives you all the knowledge, insight and support you need to achieve the previously impossible. Now you can own more of your payments journey, increase your bottom line, build tangible value and grow your business your way.

✓ Monetise your payments

Own and monetise more of your payments journey, integrate value-add services and innovate to build your revenue share.

✓ Get to market fast

Use our regulatory and card scheme licenses to rapidly expand your capabilities across the UK and EEA without the upfront cost, risk and time restraints.

✓ Reduce reliance on your acquirer

Determine your own risk approach for greater commercial flexibility and create your own compelling customer proposition to put your brand front and centre.

✓ Delight your customers

Take closer control of your merchant relationships to deliver the rich, seamless customer experience they deserve.

Ready to find out more?

Whether you want to take ownership of your payments journey to increase your bottom line, deepen customer relationships or grow your business your way, we're here to help you seize the power. Contact our experts:
